Breaking Boundaries in Vocational Education and Training

We are happy to share with you the latest news and updates from the INTERFACE project, where we are revolutionizing vocational education and training (VET) across Europe. INTERFACE is not just a project; it's a transformative journey towards creating innovative frameworks and resources to support high-quality online VET models.

## WHAT IS INTERFACE?

INTERFACE is a pioneering initiative funded by the Erasmus+ Programme, bringing together a consortium of passionate partners committed to advancing VET in the digital age. Our project aims to address the evolving needs of VET providers, learners, and employers by developing cutting-edge solutions that promote accessibility, agility, and excellence in online learning environments.

## WHY INTERFACE MATERS

*In today's rapidly evolving digital landscape, the need for accessible, adaptable, and high-quality VET has never been greater. INTERFACE aims to empower VET providers and learners alike, ensuring that they have the tools and resources needed to thrive in a dynamic and competitive environment.*

## KEY OBJECTIVES OF THE PROJECT

- **In-Service Training Programme:**  
We are developing a comprehensive in-service training programme for VET tutors and trainers, equipping them with the digital pedagogic skills necessary to thrive in online environments. This programme focuses on leveraging constructivist approaches to teaching and integrating digital tools for enhanced learning experiences.
- **MOOC and Community of Practice:**  
Our project includes the creation of a Massive Open Online Course (MOOC) platform, providing learners with access to a wealth of educational content and resources. Additionally, we are establishing a vibrant Community of Practice, fostering collaboration and knowledge exchange among VET professionals across Europe.
- **Interactive Infographics for Skills Development:**  
INTERFACE will deliver a compendium of interactive infographics designed to develop key transversal skills essential for success in the modern workforce. From digital literacy to leadership and problem-solving, these infographics offer engaging learning resources accessible to all.
